## ABOUT ME

A multidisciplinary design student majored in space and interior design. I'm passionate about creating environments that tell a story or evoke emotions to give people a memorable experiences. My designs typically embody minimalism, complemented by a subtle touch of boldness.

## ACADEMIC EXPERIENCE

### ECHOES OF THE PAST/ Designer

February, 2024 – June, 2024

Imagine a place where the time travel happens by taking a step, not a ride in a machine. This distinct space wouldn't narrate history with dusty exhibits, but rather engage your senses in the city of Nantes, France.

### THE FLUVIAL CONSCIENCE/ Execution Team Member

**Conscious Collective, Godrej Design Lab**

November, 2023 – December, 2023

This immersive spatial experience is a poignant voyage into the Mithi river's evolving form over the last 30 years, vividly delineating the encroaching pollution through an engulfing layer of ash.

### THE SURREAL BATHSCAPES/ Co- Designer

**Artize**

August, 2023 – September, 2023

The brief was to propose an in-store installation/artistic experience in the aegis of an event to invite relevant audience to help ascertain a distinct brand position for Artize, a luxury bath brand that is #BornFromArt.

### RASA/ Designer

**Boond Fragrance**

February, 2023 – June, 2023

The brief was to design packaging for their new product i.e. Rose Water which is a by product of their Gulabi Attar.

### SIMPLY WOOD/ Designer

March, 2023

Designing multiple ideations for side tables for a college student or newly graduated.

### THE CURVES/ Co - Designer

**Museum Of Emotions**

August, 2022 – January, 2023

A silent architectural competition launched by Buildner. A museum with two halls representing two contrasting emotions of fear and hope along with the reception area.
